INSTALLATION INSTRUCTIONS

- In addition to your bollard cover, your shipment includes eight Gripper Tabs.
- Install four self-adhesive Gripper Tabs around the top of the bollard with the “fingers” pointing down, and four more near the base of the bollard.
- Install the bollard cover over the Gripper Tabs. Tabs should provide a tight installation which cannot be easily removed.
- The bollard cover should securely fit entirely over the length of the post and butt up against the SlowStop base.
